

HEAP BRIDGE VILLAGE PRIMARY SCHOOL

Sport Funding Strategy

Headteacher
Mr M Cockcroft

July 2021

Summary Information					
Academic Year	2021 – 2022	Total PE and Sport Premium	approx.£17,400	Date of most recent PE&SP Review	07/2021
Total number of pupils	176	Number of pupils on roll	176	Date for next internal review of this strategy	07/2022

PE and Sport Premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

1. hire qualified sports coaches to work with teachers
2. provide existing staff with training or resources to help them teach PE and sport more effectively
3. introduce new sports or activities and encourage more pupils to take up sport
4. support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
5. run sport competitions
6. increase pupils’ participation in the School Games
7. run sports activities with other schools

School Context:

The sports coach continues to have a positive impact on the Physical Education within the school. The pupils are continuing to develop existing basic skills and these standards have been maintained during the national lockdowns and bubble closures through online PE sessions. Daily HIIT sessions have been implemented for all year groups, to increase fitness levels and to engage children again in PE. There were no after school clubs during the Autumn and Spring terms due to the Covid-19 pandemic, but during Summer 2021, we re-introduced a boys football club for Years 2 and 3 and 4 and 5, in preparation for any upcoming competitions that should resume in September. We have maintained the Schools Games Gold award and will be focusing on achieving Platinum over the course of the next two years. Our sports coach has worked closely with the PE subject leader to create a clear vision of physical education across the school, as well as a concise view of where this subject is heading over the next twelve months including the development of assessment across both KS1 and KS2.

Desired Outcomes:

1. To continue to enhance the quality and quantity of extra-curricular sports provision across the school, including the attendance of SEND and pupil premium pupils, with an aim of 70% of all pupils engaging in at least one club throughout the year.
2. To maintain the school’s success at inter school tournaments and sports competitions and give an opportunity to a wider range of children through the use of friendly competitions. Aim to win at least three competitions.
3. Increase pupil self-esteem, pride in the school and love for physical education and sport.
4. Implement assessment arrangements to more effectively support high quality teaching and learning, through the use of PE and Sports Hub.
5. Invest in fitness trackers for KS2 to encourage higher levels of activity amongst these pupils.

Desired Outcomes	Chosen action / approach	Cost:	School Lead	Success Criteria
1,2 & 3	To employ a Sport Coach to deliver high quality extra-curricular sports provision across the school Contact additional external coaches to support school sports coach in key areas:	£7400 £2000	MC / LW / EH	EH to keep class record of all pupils attending different sessions. Following an extended period of limited extra-curricular provision, we aim to increase take up of extra-curricular activities, to 70% of all pupils.
4.	Sport Coach to work with PE subject lead and other key staff to implement assessment arrangements using PE Passport.	SC - £3000 PE Passport £1000	LW/EH	Comprehensive assessment arrangements established across all year groups and understood/applied by staff. Assessment data/profile across the school reflects the good progress pupils make across the curriculum.
3.	Organise another high profile school sport event across all year groups using local arena to inspire and engage pupils.	£1900	EH/LW	Event is well attended by parents and surveys of pupil/parents evidence the desired outcomes. Parents can see the increased profile of sport across the school.
3.	Continue to promote the school Sports Leader Programme by implementing a qualification for pupils.	£500	EH/LW	Pupils will gain the 'Heap Bridge Sports Leader Award' in leadership skills.
3.	To invest in new fitness trackers to encourage more activity across pupils in KS1 and KS2. Additional P.E./sport resources	£1300 £1000	LW/EH	The investment in the Moki bands means a class set across Year 1/2, Year 3/4 and Year 5/6. Progress from each class will be recorded on a whole school display in the hall.
TOTAL FUNDING ALLOCATED:		£18'100		

Monitoring

The impact of this funding will be measured through:

- An improvement in the quality of teaching in Physical Education.
- Monitoring of the curriculum and extra-curricular activities/tournaments.
- Pupil participation in extra-curricular events.
- Teacher perception measuring the interest of children in different areas of the PE curriculum.
- Pupil perception questionnaires measuring the interest of children in different areas of the PE curriculum
